

## **\*NOTICE\***

The City of Ocean Shores Water Department will be flushing fire hydrants in the north western area of the City during the months of April and May. Work will be conducted from Ocean Lake Way to Pacific Blvd. NW on April 10<sup>th</sup> and 11<sup>th</sup>, from Pacific Blvd NW to W. Chance A La Mer on April 24<sup>th</sup> and 25<sup>th</sup>, and from W. Chance A La Mer to Damon Road on May 8<sup>th</sup> and 9<sup>th</sup>. It is common for flushing activities to stir up sediment in the water lines surrounding the work areas. We recommend that you do not use hot water during the hours of 8 AM and 4 PM on the days shown above. If you experience discoloration of your water, please run the COLD water tap for a few minutes until it clears. If you must use hot water during flushing operations, we strongly recommend flushing your hot water tank after our operations are complete.

A map of the work area can be viewed at [www.osgov.com](http://www.osgov.com). If you have any questions or require additional information please contact us by phone at 289-4210 or email at [mtobert@osgov.com](mailto:mtobert@osgov.com).
