POSE YOUR QUESTIONS TO TSUNAMI EXPERTS!

You have a tsunami risk: What are your vertical evacuation options?

Please join us and bring your questions. This is an opportunity to engage experts and see how to improve your safety. As you know, Ocean Shores has a very high tsunami risk. National experts are here to address your questions and talk about vertical evacuation refuges.

Brought to you by the City of Ocean Shores, Washington State Emergency Management Division, Grays Harbor Emergency Management and the University of Washington Institute for Hazard Mitigation Planning and Research.
