## **AGREEMENT TO CONTROL VEGETATION ON ROAD RIGHTS OF WAY**

**(Please Print/Type)**

I, \_\_\_\_\_ hereby, agree to adequately control vegetation\* growing within the Ocean Shores road right of way adjoining my property, in lieu of herbicide applications being performed by the City at these locations.

I further agree to allow Ocean Shores Public Works to post "Owner Will Maintain" signs at the beginning and end of the area described below at locations determined by Ocean Shores Public Works. The area between these signs will be considered the "no spray area" for the purposes of this agreement.

I further agree to periodically inspect the sign placements for assurance that they are in good repair and remain visible to City personnel. I will notify Ocean Shores Public Works immediately if signs require replacement or repair.

I understand that City has the right to treat the described areas with herbicide without notice if the signs are not in place, are obstructed by vegetation and thereby not visible, or if vegetation is not being controlled adequately per this agreement. \_\_\_\_\_ (initial here).

I further understand that the no spray area shall be maintained as weed free to the satisfaction of the City.

I further understand that the failure on my part to adequately control vegetation in accordance with this agreement may result in termination of this agreement by City.

I further understand that for any reason I would like to opt out of this agreement a letter in writing stating that you would like to terminate the Agreement to Control Vegetation on Road Rights of Way will be accepted by the City.

\* Adequately Control Vegetation:

No noxious weeds shall be permitted within the road right-of-way; all ground cover vegetation shall be cut or mowed to a maximum height of 6 inches; all foliage brush, trees, shrubs, etc. shall be kept trimmed back to be no closer than 5 feet horizontally from the edge of the roadway or 1 foot from the back of sidewalks, if present.
